

District 98

FULL NAME: Kalyani Gaikwad

CURRENT OFFICE: Area U1 Director

EDUCATION TITLE: Level 2, Innovative Planning

MEMBER SINCE: 2021

BRIEF ABOUT YOURSELF:

I have been a member of Toastmasters International since 2021, with my home club being Mulund Toastmasters Club. Over the past three years, I have served in various roles, including club magazine editor, VPPR, VPED, and President.

I recently graduated with a BA in Political Science from St. Xavier's College and am currently working as a Talent Acquisition intern.

In my free time, I enjoy traveling, watching movies, cooking, listening to music, shopping, and exploring new interests.

I strongly believe in, "whatever is meant to be, will always find its way." This quote encourages me to have patience and believe that everything will unfold as it should, by trusting in the process and having faith that everything happens for a reason.
