BRIEF ABOUT YOURSELF:

Hello, my name is Rachana Amballa!

I work with a private bank as a UI Developer and advocate Data and User Experience.

I joined Toastmasters in Feb 2019.

Being in Toastmasters for over 5 years, I have immense learnings by taking up five leadership roles in ExCom, other roles outside my club as well for PR activities and Contest Roles as well.

I have been a part of Club, Division events planning and served as District PR chair for Eloquence 2019-2020.

I have learnt that collaboration and networking is the key. Also, there may be more aspects to strategic planning which i am looking forward to exploring through Toastmasters.

Currently, I am appointed as the Area Director for B1 of District 98, Toastmasters International.

I like to sing, do art-craft activities, and play with my little niece in my free time.
